

Report of Academic Network UN-GGIM Asia Pacific

- Anna University, Chennai is a member of UN-GGIM Academic Network.
- Prof Dr R Vidhya, Director of Institute of Remote Sensing, Anna University is attending the 13th plenary meeting of the UN-GGIM Asia Pacific as an observer of Academic Network.
- The election of new UN-GGIM Academic Network leadership is ongoing, by December 2024 the new committee will be established.
- Academic network was well represented and actively participated and contributed on various panel and sessions of the 13th Plenary of the UN-GGIM Asia Pacific
- We note that the EB requested the establishment of an active UN-GGIM Asia Pacific Academic Network at the 12th Plenary of the UN-GGIM in Bali, similar to UN-GGIM Private Sector Network. Anna University will inform the Global Leadership of the Academic Network and also offers its support to coordinate and lead the efforts in establishment of an active Academic Network in the Asia Pacific UN-GGIM Region.
