Report

- 3 types of documents under agenda item **Contribution of regional committees and thematic groups to the global geospatial information agenda:**
- **A Summary** - it is more or less the same as last years.
- **The report from UN-GGIM** - this is a summary of all 9 regional committees and thematic group reports –including summary statement, briefly stating major achievements, date of next meeting and actions or matters you wish to bring to the attention of the Committee of Experts for their consideration and or decision.
- **Background documents** - These are the *individual regional committee* and thematic group reports on your work, achievements, challenges, future plans etc.

Information

- The logistical and technological arrangements, full provisional agenda, organization of work, as well as other information on the tenth session, is now gradually being posted on the Committee's website at <http://ggim.un.org/meetings/GGIM-committee/10thsession/>.
- The substantive reports to be discussed during the Committee session will also be loaded as soon as they become available, no later than 17 July 2020.
